golden ratio

How does
the BOSH evolution
work?

continuous
evolution

bosh-notes project

<https://github.com/cloudfoundry/bosh-notes>

In evolution
the driving force is
natural selection

In BOSH ecosystem
the driving force is

concourse.ci

concourse.ci
can help you in
whatever you want
it can even create slides

Following slides are build on concourse and available here:
<https://github.com/allomov/cfsummit-bosh-2.0>
